

\$100 REWARD.—Runaway from the subscriber, living near Governor's Bridge P. O., in Prince George's county, Md., **NEGRO BOY LEWIS**, about 24 years old. Lewis has a low forehead, pop eyes, big nose and mouth, with double teeth; he is graceful and polite in his general deportment, but can put on quarter airs when he pleases. Seven or eight years ago he was employed in the office of ~~John A. Palmer~~ Baltimore, and for a short time at his residence on Charles st. avenue, not far from the grounds of the State Agricultural Society. He took with him, beside ordinary plantation clothes, a blue frock coat with brass buttons, a light green frock of summer cloth, and a cloth cap, either black or dark blue.

It will give \$50 for him if taken in the counties of Prince George's or Anne Arundel; and \$100 if taken hereout, in either case to be secured so that I get him.
